

WARRANTY POLICY

Thank you for purchasing MR D.I.Y. Power Tools products. All power tools are design and manufacture with high-quality materials, through the reliable process and following safety standards. MR D.I.Y. warrants that the power tools products are free from manufacturing defects from the date of purchase under normal use and service for a period of twelve (12) months. Upon presentation of purchase receipt due to manufacturing defect, all defective parts shall be repaired or replaced during the warranty period. MR D.I.Y reserves the right to make the final decision on the repair or replacement of the said defective parts.

The following is not covered under this warranty:

1. Damage resulting from accidents, misuse, abuse, alteration, tampering or failure of the user to follow normal operating procedures outlined in the user manual.
2. Defects or damage due to wrong usage of electrical supply and voltage.
3. The product has been tampered with, subject to misuse, negligence and damaged due to unauthorized repair.
4. Normal wear and tear parts (carbon brush, bearing, housing, chucks, O-rings, seals etc.), corrosion, rusting or stains.
5. Products' electric circuit, charger, batteries and accessories.
6. Scratches and damages to the other surface areas and externally exposed parts that are due to normal usage.
7. Damage, losses, defects, or malfunctions caused by fire, lightning, flood, or other calamities caused by nature in any way being tampered with.
8. Defects caused by chemical reaction, excessive heat, excessive dust, water, slurry, powder or any form of particle or liquid inside the motor unit.

Note: This warranty is not assignable or transferrable. Please retain both original packaging of product and the original purchase receipt as this will authenticate your warranty.
